

Florida Informational Meetings-2008

Florida Directors invite you to attend any Information Meeting that is convenient for you. These meetings are not location specific, but intended to answer your questions about all the programs Classical Conversations offers. Please let a Director know which event you will be attending by sending an email to their address listed below. This will enable each Director to have enough resources to share with each family. If locations and/or dates do not work for you, please feel free to invite us to your area by emailing the closest Director or the state manager, Jackie Bartlett, at JBartlett@ClassicalConversations.com. We look forward to sharing Classical Conversations with you!
