

Ohio & Kentucky Information Meetings

Ohio

Ohio Directors invite you to attend any Information Meeting that is convenient for you. *All of our programs will be discussed at each event.* Please let a Director know which event you will be attending by sending an email to their address listed below. This will enable each Director to have enough resources to share with each family, and it will enable you to verify whether childcare will be offered at the location you are attending. If distance is an issue, please feel free to invite us to your area by emailing the closest Director or the Ohio State Manager, Leah Broman, at LBroman@ClassicalConversations.com. We would love to share how to begin a Classical Conversations' community in your area!

Dayton — Centerville

October 6, 2008 - 7:00-8:30 p.m.
